About US2U Consulting

US2U Consulting is a forward-thinking international Management Consultancy offering key, tailor-made management solutions which make for better business practice and results in any organisation. We guarantee to make a positive difference.

The British Government Department for Business and Trade has awarded the business Export Champion status since 2020.

Our successful growth has been built on the ability of our Consultants to understand our clients' business needs; designing and delivering solutions to make every organisation more efficient and effective.

We have worked in both public and private sectors including in green energy, technology, healthcare, education, food, travel and leisure and construction.

We deliver measurable results and value for money.

ARE WE YOUR MISSING PIECE?

Our Aim

To provide coaching support and guidance to key people, to enable them to deliver better personal and organisational performance.

Typical Objectives

To enable each person to:

- Review personal and company goals
- Review priority development areas
- Receive a programme of tailored training and coaching sessions in line with their priority needs
- Develop their management toolkit
- Agree and implement development plans which should develop individual and team performance

Typical Approach

To deliver a series of four to six tailored coaching sessions for each person during an agreed period of time.

Use key self-awareness tools such as Belbin profiling to enable greater understanding of personal and team styles.
