

YMCA Norfolk Charity Ball 14th June 2019

US2U Consulting

was pleased to attend and sponsor the annual YMCA Norfolk Ball on Friday 14th June; a great evening to raise money for a great organisation which helps so many young people.

We are also working with YMCA Norfolk to provide Mental Health Training for our clients.

Producing A Robust Business Plan With Women In Norwich

Seven months since Rachel Blackburn

launched the Women In Norwich initiative to encourage more women to develop

their business to address the gender imbalance, she delivered a two hour masterclass for the group, focusing on Producing a Robust Business Plan. [Read more here](#)

Angus Soft Fruits in our Basket

Having always worked with clients in the fresh produce sector we are pleased to add Angus Soft Fruits to our basket. The company, based in Arbroath, Scotland and Salford Priors, Evesham, England, has had

four members of our team delivering various solutions to support the ambitious Angus Soft Fruits plans. See what they think so far [here](#)

Model Consultancy for a Model Agency

"Working with US2U Consulting has been beneficial for us to develop our frameworks for our business strategy and marketing plans. This has enabled us to focus on key priorities which have added value to the business and update plans in line with our new financial year."

Managing Director **Sandra Reynolds**

The ASAMS 30 Years of Metals Testing Celebrations Continue

The video that we mentioned we were making in our May E-news is finished and can be seen [here](#). It was also great to have organised the ASAMS 30 anniversary party for staff, clients and suppliers, bringing a whole range of people with diverse skills together to create a memorable event. Please [get in touch](#) to find out how we can support your marketing plans by creating tailored solutions for your clients.

We guarantee to make a positive difference
