Meeting, Moaning and Making a Difference!

Rachel Blackburn delivered a talk on Developing Your Influencing Skills in Dubai on Wednesday 25 November on behalf of the British Business Group.

Capturing the attention of an audience of around 30 business people at the Capital Club in the Dubai International Financial Centre, Rachel discussed the challenge of influencing others, covering concepts such as influencing styles and the Organisational Development Process.

The talk was well received and provided further learning opportunities as US2U continues to expand overseas.

Boot Solution Required!

US2U Consulting took custody of a pair of Wayne Rooney's signed, match-worn football boots earlier this week, won at the [Dot Com Children's Foundation Strictly Ballroom Fundraising Gala Dinner](#) on 14 September in London.

There is only one problem - we don't quite know what to do with them! If you have an idea for how we could use them to make a significant sum for a specific charity that needs support, please get in touch or tweet us [@US2UConsulting](https://twitter.com/US2UConsulting).

Have a fantastic New Year and we look forward to working with you in 2016!
