

### **US2U Consulting Coronavirus Update**

We hope that you are keeping well physically and mentally during these strange times and are pleased that we have been available throughout the pandemic to support our clients as they adapt and change in the evolving new normal.

All of our services are available via Zoom and Teams, although we know that a lot of people are looking forward to more face to face interaction as we are scheduling more on-site work with social distancing for the Autumn.

### **Emotional Intelligence with US2U**

We have launched a new service aimed at Using Emotional Intelligence to Create High Performing Teams.

Emotional Intelligence has a powerful impact on how people perform at work, communicate effectively and manage relationships and conflict. With investing in people currently a key priority for many organisations, this service, delivered by US2U Psychometric Assessment Specialist Jan Baynham, can help develop your team's effectiveness and resilience in the new normal, and drive sustainable business results.

### **Proud to be an Export Champion**

US2U Consulting have been awarded the prestigious title of **2020 Export Champion** by the UK Department for International Trade.

This is in recognition of the international work we have done over the last few years - [read more here!](#)

We are missing working internationally and look forward to getting on track with our latest product launch in the Middle East later in 2020.

**We guarantee to make a positive difference**

### **Diversity and Inclusion 2020**

Whilst we have worked with clients to develop their processes and behaviours for managing diversity for many years, we have now seen how the agenda has changed since the killing of George Floyd in May 2020.

We have since researched and developed a new Diversity and Inclusion Framework which supports the latest language and principles of proactively addressing black lives inequality.

This includes recognising what Diversity and Inclusion mean, understanding the latest terms and what is appropriate, exploring unconscious and conscious bias, reflecting on relevant black history, managing issues around recruiting, developing and promoting people and action planning to achieve positive change.

Please [get in touch](#) to find out how we can help you manage this sensitive priority which has

### **15 Years of Worldwide Fruit**

It was July 2005 that Rachel Blackburn first started working on Leadership Develop projects at Lincolnshire-based Worldwide Fruit Ltd. Established in 2000, Worldwide Fruit is an award-winning international fruit marketing and distribution company, sourcing products globally from over 1000 growers worldwide, ensuring continuity of supply 365 days a year to the UK's leading supermarkets.

15 years later, our team continue to provide a wide range of solutions to the company. "Rachel and the team have played an integral part in helping to develop our people" said Trish McCarron, HR Director at Worldwide Fruit.
