HR Special!

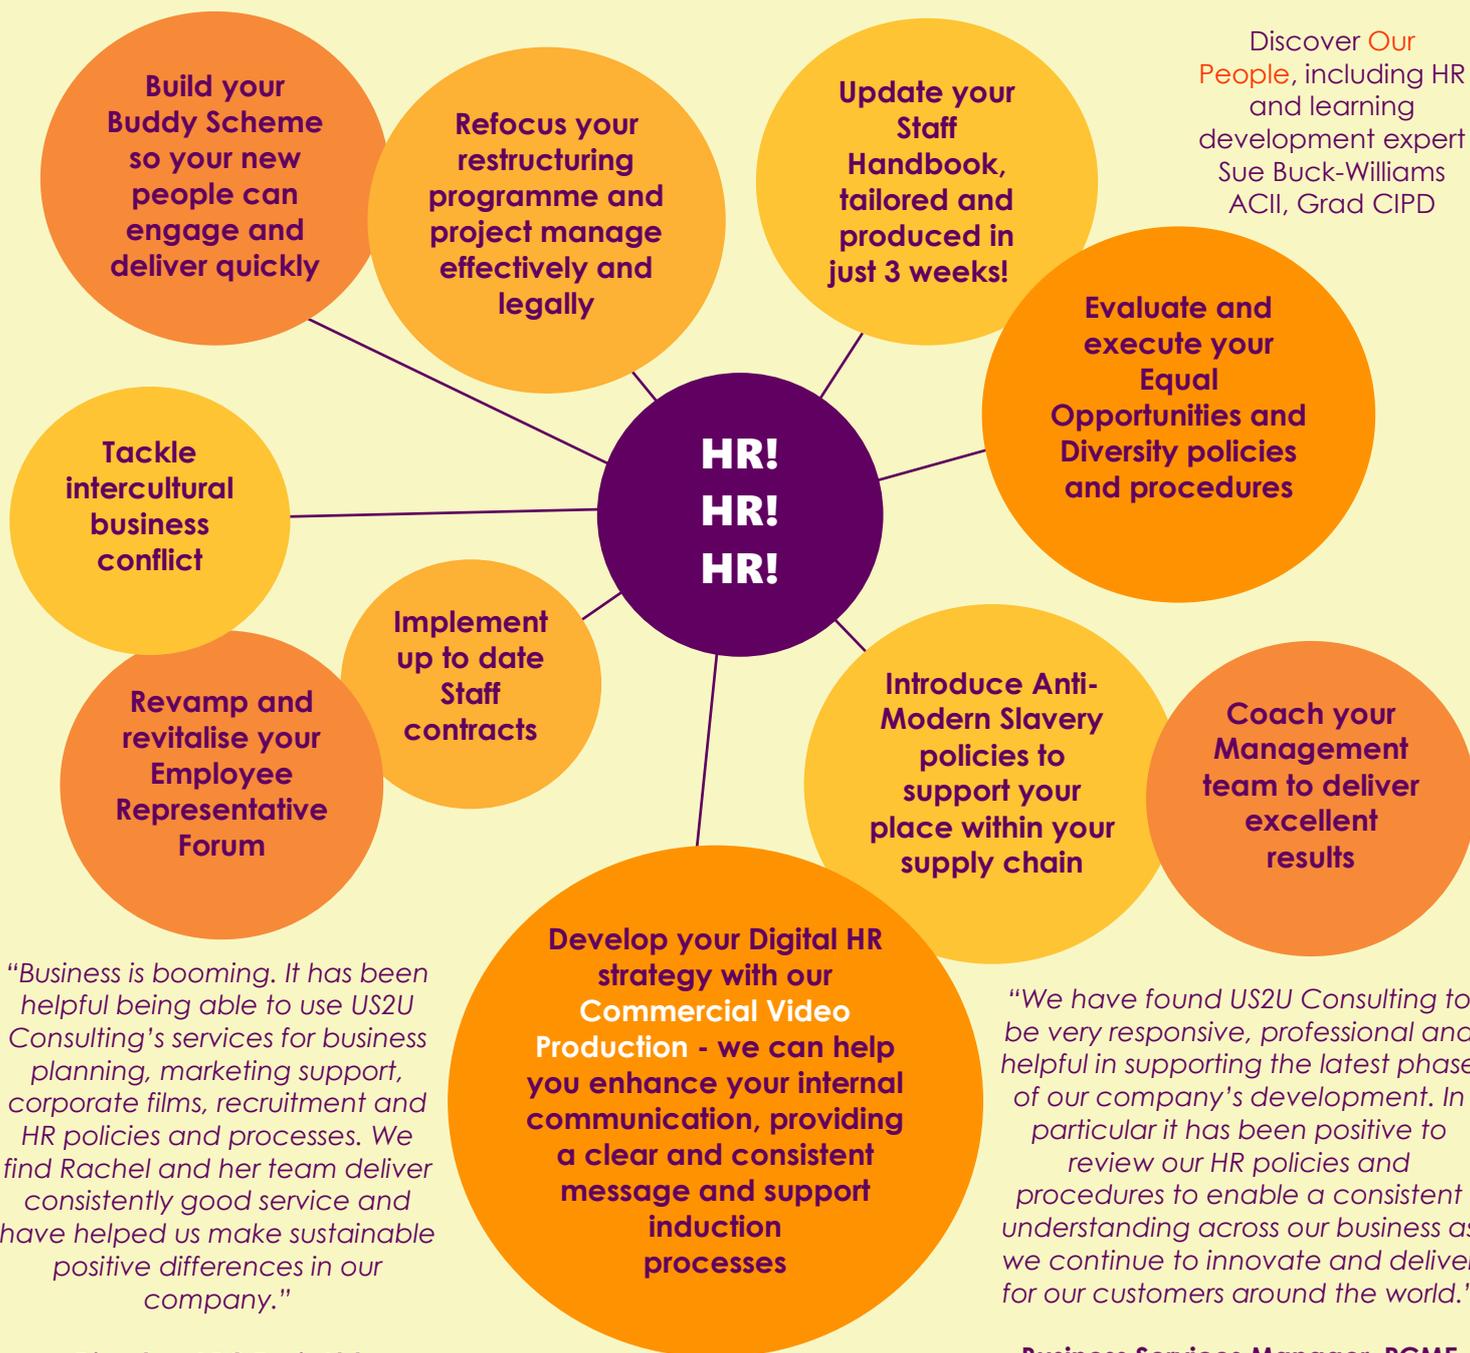

As Autumn approaches go back to school with our HR services...

With the nights beginning to draw in and the nation very much in transition, you probably find that your organisation would benefit from help in one or more of the areas below. We are **experts**.

An effective and dynamic HR strategy will ensure you are getting the most out of your people and that they are best equipped to maximise their performance.

Please get in touch at rachelb@us2uconsulting.com or telephone 01603 716852 to find out how our team can make a positive difference to your HR strategy.

Discover **Our People**, including HR and learning development expert Sue Buck-Williams ACII, Grad CIPD

"Business is booming. It has been helpful being able to use US2U Consulting's services for business planning, marketing support, corporate films, recruitment and HR policies and processes. We find Rachel and her team deliver consistently good service and have helped us make sustainable positive differences in our company."

Director, ABC Taxis Ltd

"We have found US2U Consulting to be very responsive, professional and helpful in supporting the latest phase of our company's development. In particular it has been positive to review our HR policies and procedures to enable a consistent understanding across our business as we continue to innovate and deliver for our customers around the world."

Business Services Manager, PCME

We guarantee to make a positive difference
