

Manufacturing Meets Innovation – Take Charge of our IT Future

IT Manager

Package: c£60k plus performance related bonus, benefits and relocation package

Location: South Norfolk

With a reputation for manufacturing high quality products and delivering excellent customer service in an exciting industry, our international client is looking for an IT Manager who loves driving positive business change through technology and working with MRP systems. This role has a strong change project focus so the successful candidate must be great at leading, motivating and developing people too.

We seek someone with ambition who can grow this role in a highly respected company that specialises in the manufacture of vehicle recovery equipment for customers worldwide, whilst still being comfortable to do the day to day operational IT tasks.

Working with colleagues you must be able to demonstrate your ability to:

- Build strong, professional relationships with colleagues in the UK and in the US
- Work with colleagues to enable efficient implementation of the IT infrastructure, managing data and security risks
- Enable efficient and consistent use of the LN MRP system
- Produce the IT vision and deliver IT projects to enable the business to maintain competitive advantage
- Lead, manage, motivate and coach colleagues to be able to use existing and future technology confidently and consistently

This role requires an IT background and confidence managing MRP technology. LN MRP experience is desirable. A degree level IT qualification or equivalent is essential along with great commercial awareness, communication and organisational skills. You will probably be a strong character who can work well with colleagues to influence positive change if it's "best for the business", sometimes in a challenging environment.

If you have the right to work in the UK, are calm under pressure, want to work at the heart of the business and are passionate about delivering great IT solutions which drive efficiencies then please apply.

Please send your CV to: rachelb@us2uconsulting.com or telephone **01603 716852**
